REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2011-2012 school year has been an eventful and successful one at Manning Junior High School. We began the school year with a celebration for meeting 20 out of 21 Adequate Yearly Progress (AYP) objectives. Once again, we benefited greatly from our association with the School Improvement Grant (SIG). We continued to receive more in-depth, in-service training, including Direct Instruction training at the National Direct Instruction Conference in Eugene, Oregon, the NSTA National Science Conference in Indianapolis, Indiana, various SIG workshops, and ongoing Common Core Professional Development provided by the South Carolina State Department of Education. Our academic coaches and Turnaround Specialist continue to provide embedded professional development throughout the school year.

Within our Small Learning Communities (SLC), our main focus continued to be the use of data to drive the instructional practices. We utilized common assessments in all core content areas. The common assessments and the use of MAP and other diagnostic testing enabled us to make rapid decisions about moving students within the SLCs to meet their academic needs. We also utilized direct instruction in reading and math. Each student was individually tested to determine their current achievement levels and needs.

We are excited about our progress this year and feel that the future looks bright for the Manning Junior High School Monarchs.

Jerry Coker, Principal

Yvette Samuels-Jackson, School Improvement Council Chairperson
